-	or a family member registe needs to know about, e.g.	-			ave a medical	condition that
	olease supply the Club to administer medication o		se of emer	gency, etc.	·	·

## **HELP SECTION**

The Club cannot function without the valuable help and support of its members. There are many areas where members can assist, as shown in the table below. Could you please indicate where you or any family members may be able to assist. You will be required to fill in a NSW Government Child Protection Policy Form for some activities. If you require further information on any of the tasks listed, just ask any member of the Board.
